Odometer 190,799

Compression test results:

1 – 185 PSI

2 – 185 PSI

3 – 185 PSI

4 – 185 PSI

The car now has 1,445 added to the odometer and maintained the initial compression increase... Proof that CLM works over time and mileage. We'll check this again at 3,000 miles and post those results soon!
